

**We provide support and guidance to families struggling with their son or daughter's substance use.**

## **Online Resources at [drugfree.org](https://www.drugfree.org)**

Our website empowers families with information and support:

-  Strategies and toolkits to help parents address substance use
-  A comprehensive drug guide that helps families understand the changing drug landscape
-  Information on the dangers of medicine abuse and the current opioid epidemic

## **Direct Services for Families**

Our parent specialists and online communities provide personalized support for families:

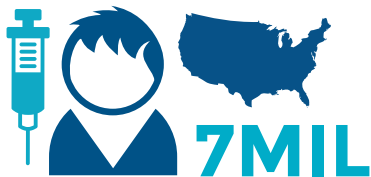

-  **1-855-DRUGFREE**  
Toll-Free Helpline with parent support specialists who help families take effective action and make a plan to help their child work toward recovery
-  Parent coaching to gain insight and support from parents who have “been there” with their own children
-  Online communities to hear and learn from other parents
