

SHATTER PROOF™

STRONGER THAN ADDICTION

PROGRESS & INITIATIVES

Shatterproof is a national organization whose mission is to protect our loved ones from addiction to alcohol or other drugs and end the stigma and suffering of those affected by this disease.

The funds raised are currently being deployed to end the stigma, educate the public, and advocate for change. Together we will reduce the devastating impact of addiction on families across the United States.

OUR INITIATIVES

Good Samaritan Laws

Advocate to ensure that all states pass legislation that will protect a 911 caller from arrest when helping someone experiencing a drug overdose.

Naloxone for First Responders & Others

Advocate to ensure that all states allow and encourage first responders, and others in a position to save a life, to carry naloxone, a lifesaving medication for someone experiencing an overdose on either prescription pain killers or heroin.

Reducing Prescription Painkiller Misuse & Abuse

Advocate to mandate that both prescribing professionals and dispensing pharmacists utilize their state's Prescription Drug Monitoring Programs (PDMP) and mandate prescriber education on evidence-based opioid prescribing standards.

SBIRT Screening & Intervention Program for Youth

Expand use of this evidence based early detection and intervention program to reduce the number of teens and young adults who develop the disease of addiction.

Digital & Interactive Resource Center

Publish and maintain the first comprehensive digital resource for the disease of addiction. Phase I to be launched in 2016.

Reducing the Stigma

Reduce the unjust stigma of this disease through Shatterproof Challenge events, the Shatterproof Ambassador Program and public education.

THE NEED: Addiction is a public health crisis
