

Anchor House Ride - Rooming Policy

Anchor House ride participants can select options for 4, 3, or 2 to a room. The 4 to a room option will still be provided free of charge, but there will be fees for the other two options. These fees are shown on the form below. All fees will be collected by Anchor House Foundation and rooms booked accordingly. There will be no need for participants to contact the hotels directly.

Please be aware that sometimes rooms will have a pull out sofa beds in place of a second bed. In order for us to not extend into extra hotels we must use these rooms. However there will be nights that we will be staying in 2 hotels and cooperation is needed in any case.

We appreciate your patience and cooperation in an attempt to provide the best service for the majority of ride participants.

Please select from the following rooming options. If you know the names of your roommates now you may enter them. Otherwise you can do so at the All Participants Meeting in June. All forms and money owed are due by the June 8th meeting. If this form is not returned we will assume that your choice is 4 to a room.
