SATURDAY, SEPTEMBER 23, 2017 | 8:00 a.m. - 12:00 p.m.

On Saturday, Sept. 23, 2017 several streets (surrounding DTLA) will be closed for the 9th annual Homeboy Industries 5K & Festival. To ensure the safety of the participants, all streets along the 5K route (shown below) will be temporarily closed, starting as early as 4:00 a.m.

- No Parking/Tow-Away regulations on affected streets will be in effect as early as 9:00 a.m. on September 22 and may go through 4:00 p.m. on September 23, 2017.

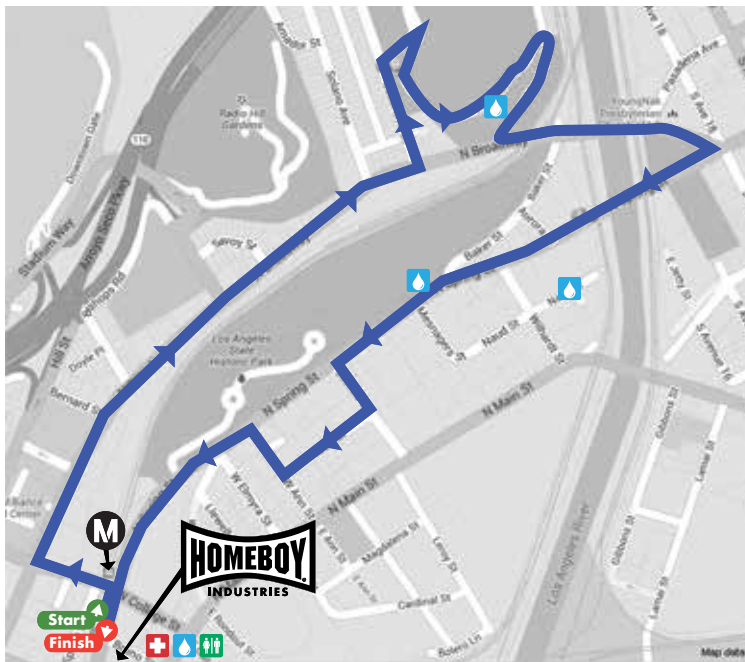

## PLEASE READ ALL PARKING SIGNS!

- Police and event volunteers will close all streets along the entire course. Sidewalks will remain open and businesses along the route can maintain their regular hours.
- Streets will re-open on a rolling basis as the last participant has passed & all course materials are removed. The entire run course will be completely cleared by 11:00 a.m. But the NO PARKING signs remain up.
- The race begins at 8:00 a.m. For the safety of all participants, please be aware of road closure schedules and NO PARKING restrictions; plan alternate access routes to avoid closed and congested areas.
