

## HELP HURRICANE SURVIVORS GO HOME

**Attn: schools, youth groups, college clubs, and church groups.**  
**Start planning a fundraiser now!**

Dorothy just needed to click her ruby heels together three times to get home. But for thousands of people—people just like you—who recently lost their homes to a hurricane, the solution isn't that simple. Take a moment to put yourself in **their** shoes:

- **Imagine** huddling with your family while raging winds claw away your roof and walls.
- **Imagine** climbing into your enclosed attic to escape rising waters as your possessions float around you.
- **Imagine** not knowing whether you're going to make it through the night, let alone the coming weeks and months.

This was the reality for so many this summer, as three massive hurricanes tore across the southern United States, Puerto Rico, and The Caribbean. First Harvey, then Irma, then Maria, left paths of destruction, lost hope, and shattered faith displacing thousands from their homes.

**If only a few heel clicks could help them get home.**

## TAKE ACTION. TEAM UP TO HELP!

As young people, you may not feel you have a lot to give. What you **do** have is collective energy and enthusiasm. That's why we're asking **schools, youth groups, college clubs, and church groups** to get involved. You can help by planning a fundraising event through **Operation Ruby Slipper**.

 <b>STEP 1</b> Plan a fundraising event and set a goal. Any goal.	 <b>STEP 2</b> Register your team and event at <a href="http://myworldrenew.net/rubyslipper">myworldrenew.net/rubyslipper</a> .	 <b>STEP 3</b> Hold your event and send funds through your campaign page.	 <b>STEP 4</b> Share your event online and monitor your progress.

## HELP SEND 25 FAMILIES HOME!

World Renew's Disaster Response Services helps families rebuild their homes and piece their lives back together—physically, emotionally, and spiritually. The cost to return a single family to their home after a hurricane is approximately \$4,000. That means that by raising \$100,000 together we will be able to send home 25 families who are in the most immediate need of help.
