

At the end of the day, it's not about what you have or what you have accomplished. It's about who you have lifted up, who you have made better. It's about what you have given back.

The Brain Injury Alliance of Washington would like to invite you to expand your impact in the Brain Injury community by becoming a member of BIAWA.

“We saw progress that we never dreamed we would. BIAWA helped our daughter build her confidence and skills to not only be ready to work, but also for whatever is next for her future.”

Your support will provide survivors of Brain Injury and their caregivers and family members the following critical services:

Washington Brain Injury Resource Center: Toll-free line that Brain Injury survivors, caregivers, and family members can call if they feel stuck navigating the medical system, applying for social security benefits, developing education interventions, and much more.

Adult & Pediatric Resource Management: Individuals with Brain Injury, their families, and caregivers can qualify for Resource Management. Resource Management provides clients with the option of over-the-phone or in-person assistance. Resource managers help connect people to the resources and support in their communities while working toward individualized, identified goals.

Social Engagement Opportunities: BIAWA recognizes the valuable role of social engagement in enriching the quality of life of individuals with Brain Injury and their families and provides them with a safe space to enjoy themselves. BIAWA hosts regular social events such as a trip to the Skagit Valley Tulip Festival, baseball games, a holiday party, and an annual Art Show.

Brain Health & Wellness: Brain Health & Wellness classes are specifically designed to empower Brain Injury survivors, family members, and caregivers and give them the tools to take ownership of their health and well-being.

Outreach/Training: BIAWA provides free trainings on Brain Injury to educators, medical providers, legal professionals, and other service providers.

Academic Scholarships: BIAWA provides academic scholarships to students who are survivors of Brain Injury as well as professionals who are committed to advances in Brain Injury knowledge.

“When I went to BIAWA and met everyone, it was a community of people who understood. They cared. They gave me what I needed to get my life back on track.”

Smile knowing that you are a part of something bigger than yourself.

Deborah Crawley
Executive Director

MEMBERSHIP APPLICATION FORM

Name: _____

Address: _____

City, State & Zip: _____

Phone: _____ Fax: _____

Email: _____

Please select Membership level: (See back for more details)

- Brain Injury Survivor: \$5**
